

Volunteer Registration Form

River Rouge School District

River Rouge, Michigan

The River Rouge Board of Education recognizes that volunteers can provide valuable services in helping the school district deliver educational programs for all students. The Board also recognizes its responsibility to the students of the district to make sure that their best interests are pursued at all times. To that end, all volunteers (who will be working independently with students) are asked to fill out this form. In addition to the references listed below, volunteers will be screened through the Michigan "IChat" program. Approval of the building administrator or supervisor will be required before a volunteer can work with students.
