

School District of the City of River Rouge 2011-2012 Transfer Option

The School District of the City of River Rouge is required by the *No Child Left Behind Act of 2001* (NCLB) to offer parents of students enrolled in Ann Visger K-5 Preparatory Academy and River Rouge High School the option to transfer their child to another school that is not identified for school improvement, corrective action, or restructuring under NCLB. Our district currently does not have any internal transfer options to meet this requirement. As required by law, the School District of the City of River Rouge pursued cooperative transfer agreements with nearby districts, but none were able to enter into such an arrangement with us this school year.
